**Re: Commencement of action (EPBC 2001 / 6011)**

Dear Mr. Wagstaff

I am writing to you today to advise that this action commenced on 7 August 2012 when the first earth works were dug within the construction zone identified in the EPBC approval.

I will keep you informed about progress with the project as set out in condition three of the approval.

In the meantime, do not hesitate to contact me if you have any queries about this matter.

Yours sincerely
