Dear Mr Stemp

Busselton Health Campus Development – EPBC 2011/6011

I refer to your email of 14 November to Carol Oates of the Approvals Monitoring South section, requesting a variation to Attachment A of the Approval dated 20 June 2012.

The Approvals Monitoring South Section has the responsibility for managing projects that have been approved. Your request has been assessed and the following advice is provided.

As delegate of the Minister for Sustainability, Environment, Water, Population and Communities, I have decided to approve your request to vary Attachment A of the approval in accordance with the provisions of the national environment law, the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act). All conditions referring to Attachment A must now be undertaken in accordance with the varied Attachment A specified in the variation notification, which has been attached for your information.

The variation of conditions of approval does not relieve the person to whom it has been granted from an obligation to comply with any other law of the Commonwealth, state or territory that is applicable to do the action and to have any right, title or interest that is required to access land or waters and to do the action.

If you have any enquiries please contact Carol Oates on 02 6274 2204.

Yours sincerely

Shane Gaddes
A/g Assistant Secretary
Compliance & Enforcement Branch
Environment Assessment and Compliance Division
