Dear Mr Stemp

Busselton Health Campus Expansion (EPBC 2011/6011)

I refer to recent correspondence to Liz McMillan of this department, providing a copy of the Western Ringtail Possum Management Plan (Revision 8, dated xxxx), as required under condition 9 of the Approval Decision dated 20 June 2012.

The Western Ringtail Possum Management Plan has been reviewed by the department and has been found to meet the requirements of condition 9 of the Approval Decision. On this basis, and as delegate of the Minister for Sustainability, Environment, Water, Population and Communities, I have decided to approve the Plan.

Please ensure that you maintain accurate records of all activities associated with, or relevant to the conditions of approval, so that they can be made available to the department on request. Such documents may be subject to audit and used to verify compliance. Summaries of results of audits may be published by the department. Information about the monitoring and audit program can be found on the department's website at www.environment.gov.au/epbc/compliance/auditing.html.

We would appreciate if you could advise us of any changes to the project e.g. contact officer, company address, commencement date etc. You should note that any transfer of this approval to another person must have the consent of the Minister for Sustainability, Environment, Water, Population and Communities under section 145B of the EPBC Act.

If you have any enquiries please contact Liz McMillan on 02 6274 1026.

Yours sincerely

Constantine Voutas
A/g Assistant Secretary
