How to Apply

All applications to be lodged via the **2020 Registrar – Service/Trainee – various position, various locations in Country WA** recruitment Pool online at MedJobsWA.

Applicants are advised to provide the following:

- A cover letter stating the position and location of interest eg: **Advanced Trainee - Paediatrics, Broome Hospital**
- A Curriculum vitae summarizing your experience and how you are able to meet the position requirements
- A statement addressing each of the selection criteria (Located in the Job Description Form JDF)
- Proof of Citizenship and Residency status
- Required if applicable – Evidence of English language skills registration standard, AMC certificate, AMC multiple choice questionnaire results.

Documents should be complete and ready to be attached prior to applying online.

The Role

The positions are accredited for up to 12 months of Advanced training in Paediatrics, though applications for 6 months will be considered if necessary. We are seeking enthusiastic registrars to join our team in the beautiful Kimberley region, based in Broome. We have a busy 8-bed inpatient unit, a level 2 nursery, a fascinating outreach program, regional neonatal transport service and opportunities to engage in service development and research. There is a strong team of consultant paediatricians resident in Broome providing close supervision and support while also giving opportunities for independent practice. Both positions are accredited by the Advanced Training Committee in General Paediatrics of the Royal Australasian College of Physicians as General Paediatrics (Rural) with a Perinatal Component.

Six month terms are accredited as 6 months General Paediatrics only. Options for accreditation of a 12 month term are:

- 12 months General Paediatrics
- 6 months General Paediatrics and 6 months Community/Developmental
- 6 months General Paediatrics and 6 months Acute Care

One of the two positions is funded through the Australian Government Specialist Training Program (STP). The successful candidate (s) for the STP-funded position must NOT be eligible for taking out their fellowship during the time the position is held, i.e. they must be in Year 1, 2 or 3 of their advanced training and may complete their advanced training at THE END of their rotation. The successful candidate (s) must not be eligible to take out their fellowship at any time that the position is held. In this position you will be required to participate in the on call roster.

Current Registrars and Senior Registrars are invited to apply.

Appointment will be made based on skills and experience.
