The Role

Applications are invited for the positions of Surgical Registrar within Bunbury Health Campus. The Surgical Department's small but busy operating department offers high quality, efficient surgical experience. The Day Procedures and Theatres area provide consultant surgical and anaesthetic services for the specialties of general surgery, obstetrics and gynaecology, ophthalmology, urology, orthopaedics, plastics, ENT, emergency and trauma. The Surgical Ward currently has a bed capacity of 30 catering for those patients recuperation from a surgical procedure. Outpatient clinics are also run as part of this directorate. The successful registrars will be required to work with consultants in the efficient delivery of KPIs, surgical admissions and care, timely and efficient discharge planning and communications.

These positions commence on 3 February 2020 for 12 months.

Applicants with at least 6 months surgical experience are preferred.

The successful candidates will be responsible for the clinical care of patients under the supervision of senior medical staff including: attending to patients in order of medical urgency; taking history of full medical examinations of new admissions and arranging appropriate investigations and assisting with surgical procedures as required; managing medical conditions according to acceptable clinical standards under supervision of consultants; collaborating with other Medical, Nursing staff and multidisciplinary team members to facilitate patient management and communication with family, outside medical practitioners, and/or community services concerning patient management.
