How to Apply

All applications to be lodged via the **2020 Registrar – Service/Trainee – various position, various locations in Country WA** recruitment Pool online at MedJobsWA.

Applicants are advised to provide the following:

- A cover letter stating the position and location of interest **eg: Service – General Surgery, Geraldton Hospital**
- A Curriculum vitae summarizing your experience and how you are able to meet the position requirements
- A statement addressing each of the selection criteria (Located in the Job Description Form JDF)
- Proof of Citizenship and Residency status
- Required if applicable – Evidence of English language skills registration standard, AMC certificate, AMC multiple choice questionnaire results.

Documents should be complete and ready to be attached prior to applying online.

The Role

Applications are invited for the position of Surgical Registrar within Geraldton Hospital. The Surgical Department is a small and busy operating department offering high quality, efficient surgical experience. The Day Procedures and Theatres area provide consultant surgical and anaesthetic services for the specialties of general surgery, obstetrics and gynaecology, urology, orthopaedics, plastics, ENT, emergency and trauma. The successful registrars will be required to work with consultants in the efficient delivery of KPIs, timely discharge summaries and efficient discharge planning. This full time position commences 3 February 2020 for 12 months.

Applicants with at least 6 months surgical experience are preferred.

Successful candidates will be responsible for the clinical care of patients under the supervision of senior medical staff including:

- attending to patients in order of medical urgency taking a history and full medical examinations and arranging appropriate investigations for new admissions
- assisting with medical procedures as required;
- managing medical conditions according to acceptable clinical standards under supervision of consultants
- Collaborating with other Medical and nursing staff and multidisciplinary team members to facilitate patient management and communication with family, outside medical practitioners, and/or community services
