Consultant Year 1 to 6 - $479,701 to $570,532 pa*

Full time (80 hours per fortnight) Fixed Term (5 years) with the possibility of extensions(s).

We are seeking to appoint a suitably experienced and enthusiastic person to the position of Consultant – Obstetrician and Gynaecologist.

In this role you will provide a Specialist Obstetric and Gynaecological Service to the WA Country Health Service Kimberley Region. This includes providing leadership, delivering excellent clinical performance and conducting outpatient clinic services at Broome Health Service and other regional hospitals. The successful applicant will also be required to participate in quality improvement programs in the area of Obstetrics and Gynaecology.

The WA Country Health Service (WACHS) is the largest country health system in Australia and one of the biggest in the world, providing health services to approximately half a million people, including 45,000 Aboriginal people, over a vast two and a half million square kilometre area. The organisation comprises seven regions, with a strong network of public hospitals, health services and health centres located across rural and remote Western Australia. Our core business is the provision of quality, accessible health services to country WA residents and visitors.

*Salary as per WA Health System Medical practitioners AMA Industrial Agreement 2016: inclusive of Arrangement A base salary, 9.5% superannuation and professional development allowance. Additional shift and penalty allowance applies as outlined in the award where appropriate.
