Government of **Western Australia**
WA Country Health Service

How to apply

Make sure you read **all** application information documents

- Key dates
- Youth Advisory Group information sheet
- How to apply

Consider being **creative** with your application - think video, slide deck, photos or songs.

- Tell us about yourself - skills and experience
- Tell us about your community and your networks
- Tell us why you want to apply

Click on the **apply here** link on the website. Even if you have used a creative format to apply, please fill out the online form. There is space in the form to upload your content.

Make sure your **parent or guardian** knows you are applying and include their contact email and phone number in the application form. They will be sent a consent form to sign if you are shortlisted.

Press **SUBMIT** on the form**.** We will notifiy you via email to confirm we have received your application.

Note: creative submissions are optional

If you have any questions about the Youth Advisory Group or your submission, please contact Child Safeguarding Program Officer
WACHS.childandfamilysafeguarding@health.wa.gov.au
