

VAST Facilitator Course

Busselton - 6, 7 & 8 May 2024

VAST is a not-for-profit organisation offering programs aimed at overcoming the barriers to widespread delivery of simulation-based education. The VAST Facilitator Course is designed to be adaptable and flexible, accommodating participants of varied clinical backgrounds. No prior simulation experience is required. It is aimed at those involved or interested in healthcare education who want to explore using simulation training in their setting.

The course will equip participants with a robust simulation 'toolkit', beginning the journey towards design and delivery of high-quality simulation and debriefing.

Prerequisites: Completion of Course pre-reading and online modules

Program: Day 1 (6th May): 8.00am to 5.00pm
Day 2 (7th May): 8.00am to 4.30pm
Day 3 (8th May): 8.00am to 3:30pm

Eligibility: All medical practitioners, emergency department doctors and nurses, and paramedics with an interest in healthcare education. Priority is given to those working in the local region and interested in the delivery of future simulation education or VAST programs.

Cost: \$300

Expression of interest: [Click here](#) or scan QR code to register your interest for the course. Applications close on 1 March 2024. Successful candidates will receive written confirmation by email and an invoice for payment.
