

VAST Course

Albany, 3 & 4 August 2024

VAST is a not-for-profit organisation offering programs aimed at overcoming the barriers to widespread conduct of simulation-based education. The VAST Course centres on core clinical cases and common emergencies encountered in perioperative care.

Prerequisites: Completion of Course pre-reading and online modules

Eligibility: The VAST Course has a focus on perioperative and emergency care, and the development of non-technical skills such as effective team working and communication. The course accommodates those involved in perioperative care, such as anaesthesia providers, anaesthesia technicians, perioperative nurses, midwives, surgeons, emergency department doctors and nurses.

Cost: \$300

Expression of interest: [Click here](#) or scan QR code to register your interest for the course. Successful candidates will receive written confirmation by email and an invoice for payment.
