Emergency Medicine

Service registrar

Derby Hospital - Kimberley Region

Six month or 12 month full time appointments commencing in February and August 2023

This position provides an excellent opportunity to develop your emergency clinical skills and grow into senior roles that will be expected of you once you are an independent clinician. This will include, but not be limited to, the opportunity to participate in departmental education sessions, participation in audits, clinical governance and quality improvement projects.

The ED Registrar positions provide the opportunity to gain extensive experience in Indigenous health and ambulatory and community-based medicine. In addition to gaining additional knowledge and skills in hospital medicine, many patients you will see have multiple complex chronic comorbidities including conditions such as rheumatic heart disease and infectious diseases rarely encountered in tertiary hospital settings.

As an ED Registrar you will become part of a close-knit team that works closely with primary care providers and multidisciplinary staff to provide a high quality of clinical service to all hospital patients. There are opportunities to undertake clinical audit and/or research projects.

Remuneration

Full time (80 hours per fortnight) salary as per WA Health System Medical Practitioners AMA Industrial Agreement 2016:

Registrar Years 1-3, \$154,196 - \$168,852*

* includes base salary \$130,990 to \$144,314 pa, professional development allowance \$10,107 pa and 10% employer contributed superannuation. Rates as at May 2022.

Please note, employees who move between different WA Department of Health entities will bring their entitlements (annual leave, long service leave, personal leave) with them. Taking a rural contract is not viewed as a break in service.

Derby District Hospital is in a remote location in the West Kimberley. The Hospital and the Derby Health Services cover the Fitzroy River catchment area. This includes Derby, Fitzroy Crossing and indigenous communities over a large area. The remoteness and its challenges make for a very rewarding work environment as part of a welcoming medical team. Extensive use of telehealth advice to remote clinics and aeromedical transfers add to the appeal and uniqueness of the job. Derby is the gateway to the western end of the famous Gibb River Rd and experiences the second largest tides in the world.

The Kimberley is the most northern and tropical region of WA. Geographically diverse – the Kimberley boasts pristine white beaches, rugged and spectacular ranges and gorges, palm lined chasms, secluded waterholes, tidal mudflats and some of the largest and most beautiful rivers and waterways in the world. The Kimberley region keeps people intrigued for many years through the diverse range of activities, rich cultural history, varied working experiences and mix of friendly people and unique characters.

Relaxed and laidback – a lifestyle envied and sought by thousands of visitors each year.

Derby Hospital boasts a 35 bed inpatient facility which includes; Community Health; Emergency; Allied Health; Home and Community Care; Maternity; Neonates; Medical Imaging; Child and Adolescent Services; General Medical; Aged Care; Dental; Alcohol Rehabilitation; Aboriginal Health; Mental Health; Podiatry; General Surgical; Outpatients; Community Drug Service; Ambulance and Visiting Specialist Services.

Applications must be lodged online by 4pm (WST) 04/07/2022.
Late submissions will not be accepted.

Documents should be complete and ready to attach prior to applying online.
