

Obstetrics and Gynaecology

Service Registrar

Kalgoorlie Health Campus - Goldfields Region

Six or 12 month full time appointments commencing February and August 2023

The service registrar job is a unique opportunity to be exposed to a broad variety of general obstetrics and gynaecology including minimally invasive procedures.

The department has three consultant Obstetricians and Gynaecologists, two registrars, one RMO and three GPOs participating on the out of hours roster.

The roster is one in four on call weekdays and one in four weekends.

Work involves high risk antenatal clinics and gynaecological outpatients, three theatre list per week, labour ward and maternity assessment unit, emergency consults in ED.

Remuneration

Full time (80 hours per fortnight) salary as per WA Health System Medical Practitioners AMA Industrial Agreement 2016:

Registrar Year 1-7, \$131,853 to \$176,734 pa*

South of the 26th parallel

*includes base salary \$110,678 to \$151,479 pa, professional development allowance \$10,107 pa and 10% employer contributed superannuation. Rates as at June 2022.

Please note, employees who move between different WA Department of Health entities will bring their entitlements (annual leave, long service leave, personal leave) with them. Taking a rural contract is not viewed as a break in service.

Enhanced Care and Services at Kalgoorlie Health Campus

Kalgoorlie Health Campus is a 100-bed inpatient facility and the largest regional public hospital in WA. When you join the team at Kalgoorlie Health Campus, you'll become part of a close-knit community of health professionals including specialist general surgeons, physicians, paediatricians and emergency medicine doctors.

The hospital supports medical students through the Rural Clinical School, junior doctors rotating from Perth, Workplace Based Assessment doctors and registrars across a number of specialties. Fly in fly out clinicians and private clinicians provide additional supportive health services to the region.

Kalgoorlie is Australia's largest outback city, and the heart of Western Australia's Goldfields region - Australia's gold capital. The area is more than three times the size of Victoria and covers almost a third of WA's total land mass. As the largest region in WA, its diverse natural environments range from sprawling deserts in the North and East to pristine white beaches and emerald seas in the South.

With a population of more than 30,000, the city is a dynamic and sophisticated regional centre and has many chain stores and services. Sport facilities, clubs and societies and social services abound to support a good work life balance.

Community is a key strength of the town. Being located inland the weather in Kalgoorlie is usually sunny, giving options to explore the outback and beach-side Esperance during your time off. Kalgoorlie is only 600 kilometers or a one hour flight away from Perth.
