Join the Albany team in 2025 and be a central part of the local community:

- build professional relationships.
- be supported in your learning by top-quality mentors and clinical supervisors.
- be an integral part of a small team working in a multidisciplinary environment with limited resources, and enjoy the freedom to explore the attractions of the regions in your time away from work.

Positions for Resident Medical Officers in 2025

PGY2* posts providing rotations in Psychiatry, Orthopaedics, General Practice*, General Surgery, General Medicine, Medical Specialties, Geriatrics, Emergency Medicine, Paediatrics, Palliative Care, Gynaecology and Women’s Health* and exposure to Anaesthetics within the Leave Relief component (subject to change).

* Terms offered through the John Flynn Prevocational Doctor Program (JFPDP) provide rural primary care rotations at Pioneer Health Albany. Eligibility for these terms is limited to prevocational doctors in postgraduate years 2-5 who are Australian citizens or permanent residents. (Rotation availability subject to eligibility, please contact Dale Broderick, Medical Education Officer to discuss your eligibility.)

The Role

You will provide a high quality of clinical service to all hospital patients under the supervision of clinical supervisors including Registrars, Consultants and other senior staff within a multidisciplinary team. You will also work within your ability and according to the hospital’s core values and will be able to expand your knowledge and skills through the available learning opportunities.
The Great Southern is Western Australia’s most southern region, bordered by the South West, Wheatbelt and Goldfields Regions.

Albany hospital underwent a major redevelopment in 2013 and was transformed into the state-of-the-art Albany Health Campus. From this facility health care is delivered to more than 59,000 of the region’s local residents and visitors. As the Regional Hospital, Albany Health Campus also supports the Great Southern’s smaller hospitals to provide improved clinical services to residents closer to home. The Albany Health Campus has 81 overnight, 31 same day and 16 inpatient mental health beds. This ensures the delivery of streamlined health services in a contemporary and innovative hospital; responsive service; care via collaborative working practices and quality assured patient services. The hospital has general and specialised services for a diverse case-mix along with highly motivated medical staff and many learning opportunities.

A vibrant restaurant/café and arts scene contributes to the attractive lifestyle on offer.

Albany is a scenic port city located approximately 400km south of Perth, perched on the Southern Ocean and facing Antarctica. There is plenty to explore in your time away from work and many outdoor activities to embrace – including sailing, fishing, surfing, cycling, swimming and bush-walking. Not to mention the spectacular walks and views found throughout the Porongorup Range and Stirling Range National Parks, where the iconic Bluff Knoll humbly resides. The Bibbulman and Munda Biddi Trails also meander through the Great Southern region and past the Valley of the Giants in Walpole.
