Are you interested in gaining experience across a range of specialties?
Do you want to take up an opportunity to develop your skills, obtain further qualifications and professional development while you are working?

Bunbury Hospital provides specialist level supervision and training with rotations available in Emergency Medicine; General Medicine; General Practice*; General Surgery; Geriatrics; Intensive Care Medicine; Obstetrics & Gynaecology; Orthopaedic Surgery; Paediatrics; Psychiatry; and Specialist Surgery (ENT, Urology and Ophthalmology):

- **Emergency Medicine** rotations of 6 and 12 months facilitate completion requirements for ACEM Emergency Medicine Certificate.
- Rotations in **Paediatrics** assist with pre-vocational training requirements, advancing your skills in this highly sought after term and obtaining further qualifications (Certificate or Diploma level).
- Rotations in **Obstetrics & Gynaecology** assist with pre-vocational training requirements, advancing your skills in this highly sought after term, completion of the Certificate in Women’s Health and/or RANZCOG Diploma.
- **Interested in a Surgical Career?** Bunbury provides rural exposure and can assist with additional points for your entry application.
- **Medical, Surgical and ED** terms can also assist those seeking General Registration.
- **Bunbury Hospital** has several positions available for those wishing to undertake the **Workplace Based Assessment (WBA)** program for International Medical Graduates on the AMC Standard Pathway to General Registration.
- **Coastal and Inland Positions** are available at Busselton Hospital (Emergency Medicine, Perioperative/Anaesthetics) Margaret River Hospital (Rural Generalist) and Collie General practice. This includes the Southwest GP rural generalist RMO 2 year program.
- **General Practice** terms offered through the John Flynn Prevocational Doctor Program (JFPDP) provides rural primary care rotations at Collie River Valley Medical Centre or Health by Nurture or South West Aboriginal Medical Service. Eligibility for these terms are limited to prevocational RMO’s in postgraduate years 2-5 who are Australian citizens or permanent residents.

*Part-Time opportunities may be considered but must be discussed with the Deputy Director of Medical Services*
The South West Region is an area of magnificent beauty on the South West Coast of Western Australia. Stretching from Busselton along the shores of Geographe Bay down to Augusta the most south-westerly point of Australia. Join the Bunbury team in 2025 and be a central part of the local community!

Bunbury Hospital at South West Health Campus is a 135-bed public facility co-located with a similarly sized private hospital. It delivers health care to more than 80,000 of the region’s residents as well as visitors and acts as the regional referral centre for the district. Bunbury Hospital provides good exposure to a young and diverse case-mix, reflective of a major teaching hospital, but in a regional/rural setting.

Bunbury is a picturesque harbour city on the south west coast of WA, 175km or two hours drive from Perth, in the heart of the South West – WA’s premier holiday region. While living in this beautiful seaside city, enjoy all types of water sports along the coast and within the harbour, bushwalking, mountain-biking and camping in local forests, tasting the award winning wines from our fantastic local wineries, and enjoying fresh local produce in your home and in restaurants and cafes...and all this with no traffic!

Opportunities also exist in the Coastal Southwest at sites such as Busselton Hospital and Margaret River Hospital.

Our hospitals in the region:
- Bunbury Hospital
- Busselton Hospital
- Margaret River Hospital
- Augusta, Bridgetown, Manjimup, Boyupbrook, Donnybrook, Collie, Harvey
