## Experience life in the region

**The Great Southern is Western Australia's most southern region, bordered by the South West, Wheatbelt and Goldfields regions.**

Albany Health Campus is a state-of-the-art facility that provides health care to more than 59,000 of the region's local residents and visitors. As the main regional hospital, Albany Health Campus also supports the region's smaller hospitals to provide improved clinical services to residents closer to home.

Albany Health Campus has 81 overnight, 31 same day and 16 inpatient mental health beds. This ensures the delivery of streamlined health services in a contemporary and innovative hospital, responsive service, care via collaborative working practices and quality assured patient services. The hospital has general and specialised services for a diverse case-mix along with highly motivated medical staff and many learning opportunities.

**A vibrant restaurant/café and arts scene contributes to the attractive lifestyle on offer.**

Albany is a scenic port city located approximately 400km south of Perth, perched on the Southern Ocean and facing Antarctica. There is plenty to explore in your time away from work and many outdoor activities to embrace including sailing, fishing, surfing, cycling, swimming and bush-walking. There are also spectacular walks and views found throughout the Porongorup Range and Stirling Range National Parks, where the iconic Bluff Knoll humbly resides. The Bibbulman and Munda Biddi Trails also meander through the Great Southern region and past the Valley of the Giants in Walpole.
