Are you interested in gaining experience across a **range of specialties**? Do you want to take up an opportunity to **develop your skills**, obtain **further qualifications** and **professional development** while you are working?

**Then Bunbury Regional Hospital is
the place for you in 2026!**

Bunbury Regional Hospital provides specialist level supervision and training with rotations available in Emergency Medicine, General Medicine, General Practice*, General Surgery, Geriatrics, Intensive Care Medicine, Obstetrics and Gynaecology, Orthopaedic Surgery, Paediatrics, Psychiatry, and Specialist Surgery (ENT, Urology and Ophthalmology):

- **Emergency Medicine** rotations of six and 12 months facilitate completion requirements for ACEM Emergency Medicine Certificate.
- Rotations in **Paediatrics** assist with pre-vocational training requirements, advancing your skills in this highly sought after term and obtaining further qualifications (Certificate or Diploma level).
- Rotations in **Obstetrics and Gynaecology** assist with pre-vocational training requirements, advancing your skills in this highly sought after term, completion of the Certificate in Women's Health and/or RANZCOG Diploma.
- **Interested in a Surgical Career?** Bunbury provides rural exposure and can assist with additional points for your entry application.
- **Medical, Surgical and ED** terms can also assist those seeking General Registration.
- Bunbury Regional Hospital has several positions available for those wishing to undertake the **Workplace Based Assessment (WBA)** program for International Medical Graduates on the AMC Standard Pathway to General Registration.
- **Coastal and inland positions** are available at Busselton Health Campus (Emergency Medicine, Perioperative/Anaesthetics) Margaret River Hospital (Rural Generalist) and Collie General Practice. This includes the Southwest GP rural generalist RMO two year program.
- **General Practice** terms offered through the Australian Primary Care Prevocational Program - Rural (APCPP) provide rural primary care rotations.

*Part-time opportunities may be considered but must be discussed with the Deputy Director of Medical Services.

Experience life in the region

The South West Region is an area of magnificent beauty on the south west coast of WA. Stretching from Busselton along the shores of Geographe Bay down to Augusta - the most south-westerly point of Australia.

The area is blessed with spectacular and pristine beaches, abundant opportunities for outdoor activities such as caves, adventurous walks and trails and world class surfing spots. It is also renowned for its divine cuisine, welcoming locals and award-winning wines in nearly every direction.

South West residents have a high sense of community and rate their region as a safe place to live and raise children, with excellent access to services such as health and education contributing to their positive lifestyle and general wellbeing.

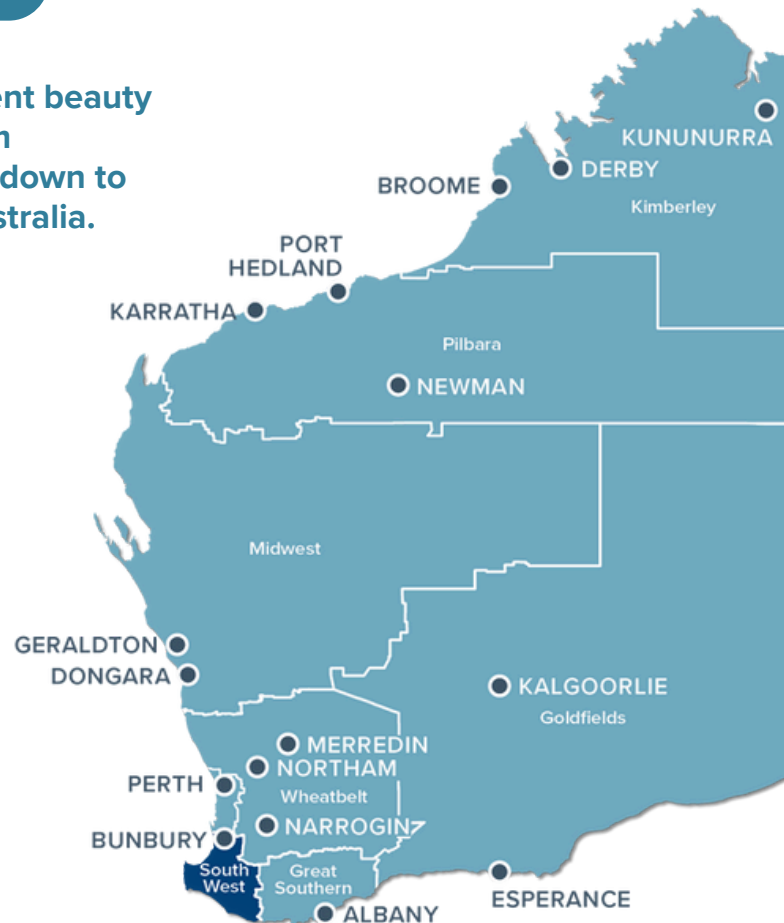

Join the Bunbury team in 2026 and be a central part of the local community!

Bunbury Regional Hospital at the South West Health Campus is a 135-bed public facility co-located with a similarly sized private hospital. It delivers health care to more than 80,000 of the region's residents as well as visitors and acts as the regional referral centre for the district.

Bunbury Regional Hospital provides good exposure to a young and diverse case-mix, reflective of a major teaching hospital, but in a regional/rural setting.

Bunbury is a picturesque harbour city located approximately 175km or two hours drive from Perth, in the heart of the South West – WA's premier holiday region. While living in this beautiful seaside city, enjoy all types of water sports along the coast and within the harbour, bushwalking, mountain-biking and camping in local forests, tasting the award winning wines from our fantastic local wineries, and enjoying fresh local produce in your home and in restaurants and cafes... and all this with no traffic!

Opportunities also exist in other South West sites such as Busselton Health Campus and Margaret River Hospital.
